Using the Microsoft Word Grammar and Style check

Effective Writing (EW) has been introduced to students as an important writing technique. It also provides tools to enhance their ability to write better in the U.S. Army War College Department of Distance Education course. I have found that the EW course allowed students to participate in many ways. Online (DCO) sessions and several elective lessons on multiple topics within the DDE Effective Writing Seminar. Mastery of these skills are required and essential for students to complete the two-year U.S. Army War College Distance Education curriculum.
